How does the Old Abe Booster Club help our Athletes?

The next MHS athletic season is just around the corner, and we are excited to begin the new season. Since 2000, an average of \$70,000 annually has been raised and donated to support MHS athletics. The Old Abe Booster Club (OABC) supports our student athletes by providing items the school district does not cover. Such items include, but are not limited to, uniforms, sports equipment, weight room staffed by athletic trainers, and other athletic supplies. As an Eau Claire Business, we could use your financial support to help Memorial High School Athletics.

Now there’s an easier way to become a member of the Old Abe Booster Club!

Online Membership Form:

*Go to our website and click on the “**Donate**” button for a fast, secure & convenient way to become a member:
www.OldAbeBoosterClub.com

Or:

Paper Form & Check Option:
